So, what is a book review, anyway? Speaking in the language of movies, a book report is one large spoiler and retelling, and a review is a carefully made teaser. The review provides just enough initial information to make readers interested, and then it provides additional explanations of the book characteristics without getting into plot details.

The first step to writing a successful book review is always to make a review draft. It is a rough outline for a book review. It includes gathering up the notes taken and making a body out of them. Place the notes in chronological order and write in prose form what you think should be included in the book review.
